RE: 2024 Chip Sealing Project – Notice of Award

Dear Crystal:

Great West Engineering has completed the review of the four bid packages opened on February 8th, 2024 for the above referenced project. The results of the bids submitted are summarized in the attached Bid Tabulations for your review.

Based on our review of the bids submitted, we recommend a bid award to Hollow Contracting, Inc in the amount of **\$302,756.75**. This recommendation is based on Hollow Contracting being the lowest responsive bidder meeting the requirements in the Project Manual.

Upon the County's review of the Bid Tabulation and concurrence with our recommendation please execute three copies of the Notice of Award and return to us. Should you have any questions or comments, please contact me at (406) 495-6182.

Sincerely,

Great West Engineering, Inc.
