RE: ATM Machine(s) at Three Forks Rodeo July 18<sup>th</sup> & 19<sup>th</sup>, 2025

The purpose of this Memorandum of Understanding is to confirm agreement details for services to be provided the Three Forks Rodeo. We, Ascent Technical Services, LLC, will provide ATM Machine(s) stocked with moneys independent of the moneys of the Three Forks Rodeo, an internet connection, and all necessary services to operate said machine(s), with security measures in place to protect contents from theft (i.e. removal of cash cassettes at night, etc.), adequate encryption to protect the sensitive information and personal information of guests using the machines, personnel onsite to deal with any issues associated with the ATM(s) or Wi-Fi. Additionally, we will allow the use of Wi-Fi for the Three Forks Rodeo's ticket scanners and credit card terminals.

Our expectations of the Three Forks Rodeo are the following: a secure location in which to set up 1-3 ATM machines and an 120V power connection to operate the machine and any network equipment required to provide machine connectivity and/or WiFi connectivity. This will be at a cost of \$500.00 to the Three Forks Rodeo, a department of the City of Three Forks.
