Subject: Letter of Interest – City Council Seat

Dear City Clerk and Members of the City Council,

I am writing to formally express my interest in being considered for appointment to the vacant City Council seat for the City of Three Forks.

As a resident of Three Forks, I care deeply about our community's continued growth, livability, and strong sense of connection. I am eager to contribute my time, skills, and perspective to support responsible decision-making and help ensure that our city continues to thrive.

I bring 4 years of experience in accounting and business management, along with a strong commitment to civic engagement. I have managed portfolios of Ultra-High-Net-Worth (UHNW) clients with collective assets exceeding \$30 million when working for an accounting firm in Bozeman. I have also managed and grown my business that provides key services to \$80-100 million development projects from inception to completion. I believe my background in planning and small business would allow me to serve effectively on the council and represent the interests of our residents.

I would be honored to have the opportunity to serve our community in this capacity and to collaborate with fellow council members and city staff to address the needs and priorities of Three Forks.

Thank you for your consideration of my application. I would welcome the opportunity to discuss my qualifications further and look forward to your response.

Sincerely,

Carly Harp
